Memorandum of Agreement

between

University of Gaston Berger, St. Louis, Senegal

and

The College of Food, Agricultural, and Environmental Sciences
The Ohio State University, Columbus, Ohio, USA

The intent of this Memorandum of Agreement (MOA) is to facilitate collaboration between University of Gaston Berger, located in St. Louis, Senegal, and The Ohio State University, on behalf of its College of Food, Agricultural, and Environmental Sciences, located in Columbus, Ohio, USA. Both institutions have a mutual interest in promoting cooperative activities in academic and other areas based primarily on mutually satisfying faculty interchanges.

In order to facilitate future collaboration, the institutions have agreed to enter into this MOA which describes the broad scope and terms of their intended relationship.

CLAUSE I: AREAS OF POTENTIAL COLLABORATION

Areas of possible collaboration include, but are not limited to:

1.1. Joint development of curriculum materials
1.2. Joint research projects
1.3. Staff exchanges and visits
1.4. Student exchanges
1.5. Joint activities such as conferences or seminars
1.6. Exchange of information

CLAUSE II. MANAGEMENT

In order to implement this MOA, each institution will designate a Coordinator who will be responsible for general liaison as well as arrangements for specific activities. It is understood that the details of specific activities, conditions for uses of the results achieved, and arrangements for specific visits, exchanges, and all other forms of cooperation will be negotiated for each specific case through separate, written agreements. Each such agreement shall define the exact nature of the activities to be undertaken, the responsibilities of each institution in fulfilling the agreed objectives, and
include details of all financial arrangements, which shall depend on the availability of funding and, where appropriate, the protection of intellectual property rights.

CLAUSE III. FUNDING OF AGREEMENT

Each party agrees to seek financial resources for supporting exchange and collaboration. Both parties agree to jointly seek third party funding to support collaborative project activities.

CLAUSE IV. DURATION OF AGREEMENT

This MOA shall take effect from the date of the last signature hereto and shall be valid for five years. It will be reviewed during the third year of operation, and may be renewed for an additional five-year period by mutual written agreement. It may be amended or terminated at any time by mutual written agreement. It may be terminated by either Party three months written notice of its intent to do so to the other Party, subject to the proviso that any on-going projects under the MOA will be allowed to continue to their conclusion.
